

LOUIS TEO

Born in September '88

lou@lucidlull.com

+65 94886627

Singapore

As a creative driven by stories and the art of storytelling, my work has led me to many interesting projects and allowed me to play with storytelling techniques across different media.

Strong in both pre-production and post-production workflows, I am able to jump in with a solid vision and able to carry it to the end.

EDUCATION

- 2013 - 2015 Glasgow School of Art:
BA (Hons) Communication Design
- 2006 - 2009 Republic Polytechnic:
Diploma in New Media

WORK

- 2015 IM Production: Creative Director
As a the creative director of a new production startup, my role requires me to craft and guide the creative output of the company.

- 2008 - Current Freelance Creative
Diving into a spectrum of work, from planning layouts for printed media, to directing and editing entire short films allows me to work intimately with the client to create compelling work
